

PATRICK AND NEEL'S TERRIBLE, HORRIBLE, NO GOOD, VERY BAD QUIZ

IMPRS Retreat 2023
In the middle of nowhere

RULES

1. Each question carries 10 points. If no one answers correctly on the first try, a hint will be given and the points go down to 5.
2. The scoring for this quiz is a bit special; alongside the regular scoring, we also have a “fun meter”. Each funny answer will get you a “fun point”. The fun point scoring is independent of the regular scoring. So if you don't know an answer, try being funny ;) (PS: Being funny sure has its benefits, which you will soon realise at the end of the quiz :)
3. Don't be disheartened if you don't know an answer. The entire point of this is to have fun or to prove to everyone how smart you are hahahahahahaha...
4. The word of the quizmaster is final and binding. Not everything is a democracy...

MANY FRIGHTENING CREATURES. ONE OF THEM
WAS THE "BOGGART" WHICH PROF. LUPIN
DESCRIBED AS:

"So the boggart sitting in the darkness within has not yet assumed a form. He does not yet know what will frighten the person on the other side of the door. Nobody knows what a boggart looks like when he is alone, but when I let him out, he will immediately become whatever each of us most fears."

THEY ARE INCREDIBLY RESPONSIVE AND CAN BE TAUGHT TO DO AMAZING TRICKS, MUCH IN THE WAY DOGS AND CATS CAN."
